

# 2008 TOUR OF BRISBANE

# TOUR OF BRISBANE

## **Background**

The 'Tour of Brisbane' was a hugely successful Race event conducted during the 1980's & 1990's, the race has not been conducted for at least 10 years but is now back as part of our Racing Calendar.

The concept was to have a series of Race events across the day, in different locations in and around Brisbane and spread out over several days.

## **2008 Race Event**

Understanding that the past success of the 'Tour of Brisbane' was reflective of the strong numbers of Skaters during that period of time, we've adapted the concept to suite today's Skating environment.

This Information document will outline the Event and answer any questions you may have about the 'Tour of Brisbane'
